**AzSEC 2023 Keynote Speaker:**

**Hon. Shalanda Baker**

Shalanda Baker is a Director of the Office of Economic Impact and Diversity and Secretarial Advisor on Equity. Her keynote address will be on Energy Justice - Energy and Equity, and Meeting the Moment.

This year's theme will help our graduate students see their work in a broader context, and to begin understanding the challenges in areas of the U.S. where energy is abundant, but where energy and water scarcity are still pervasive.
